

Insurance Indemnity

I, _____ have been advised by Miami Shipping Services, Inc. d.b.a. Richard Shipping Services, that marine insurance must be placed on all cargo unless the cargo consignee requests not to take insurance on freight.

I understand by electing not to take out marine insurance on my cargo that I am insuring it myself and will not hold Miami Shipping Services Inc. d.b.a. Richard Shipping Services, Richard Shipping Ltd., their agents or anyone other than myself liable for loss or damages that may occur while my cargo is in possession of Miami Shipping Services d.b.a. Richard Shipping Services, or their agents or while in transit aboard their vessels.

I have read the above and understand that I have already placed other insurance on my cargo, and/or do not want Miami Shipping Services Inc. d.b.a. Richard Shipping Services to insure my cargo.
